Workshop Invite

Integrating AI Into the Classroom Enhancing Student Engagement and Teacher Practice

Are you ready to level up your teaching skills and bring new energy to your classroom with AI?

Join us for a hands-on workshop designed to empower you with the latest strategies, digital tools, and insights for 21st-century teaching!

Learning Objectives:

- Understand the basics of AI and its role in education (basic).
- Explore practical ways to use AI to increase student engagement and interactivity.
- Learn how AI can support teachers in pedagogy, curriculum design, and assessment practices.

Workshop Themes:

- Theme 01: Understanding AI in Education
- Theme 02: Ethical Considerations, Challenges and Inclusivity
- Theme 03: Improving Teacher Pedagogy with AI
- Theme 04: Enhancing Student Engagement with AI
- Theme 05: AI in Lesson Planning and Assessment

Why You Should Attend?

This workshop promises not just knowledge but practical tools you can apply immediately, whether you're teaching in-person or online.

Don't miss this chance to enrich your teaching toolkit
